- 1,000 cubic meters of timber from various USIA estates to Israel. Juschnesditrans forwarded this timber in 52 shipments to Czechoslovakia. From there the timber, disguised as a Czech export, was reshipped via Austria to Israel.
- An estimated 15 to 20 carloads of iron and drilling equipment daily from an unspecified shipper to Mukachevo.

Date: 16 - 30 April 1951

- 65 cases of lamp black, weighing a total of 7.8 tons, from Vinzenz Wagner to Chemolimpex, Budapest.
- 4 crates of automobile parts from A/O Avtovelo, Automotive and Fine Mechanics Department of USIA, to Mogurt, Budapest.
- 2 crates of marine pumps from Garvenswerke, Maschinen-, Pumpen-und Waagenfabrik W. Garvens, Vienna II, to Technolimpex, Budapest.
- 40 crates of shock absorbers, weighing a total of 3.5 tons, from Dipl. Ing. Franz Wieser, Vienna XI, to Mogurt, Budapest.
- 4 crates of valves, weighing a total of 1,000 kilograms, from Richard Klinger A.G., Gumpoldskirchen, Lower Austria, to Ferunion, Budapest.
- 4 crates of air compressing machinery from Boehler Gebrueder & Co. A.G. to Ferunion, Budapest.
- 2 carloads of rags from Altmann & Comp., Vienna I, to Kuelkereskedelmir Bank, Budapest.
- 1 carload of drilling machinery from Ernst Krause & Co., Vienna XI, to Technolimpex, Budapest.
- 1 carload of electrical equipment from the Reppold firm, Seebach bei Villach, to Masped, Budapest. (7)
- 18 bales of felt from Hutter & Schrantz A.G. to Hungarotex, Budapest.
- 27 bales of felt from a factory in Vienna IV to Budapest.
- 1 carload of cocoa from Austria to Prodexport, Bucharest.
- 24,000 raw hides from USIA to Panopex, Budapest. (8)
- 73,000 tons of crude oil from Wifo-Lobau to Mukachevo. (9)
- An average of 30 carloads of scrap iron weekly from USIA to Mukachevo.

CENTRAL INTELLIGENCE AGENCY

25X1A

25X1

- 4 -

28 carloads of refined petroleum products daily from the Soviet-controlled refineries to Hungary and Mukachevo.

## 2. Transit Shipments Handled by Juschneschtrans

Date: 31 March - 14 April 1951

10 crates of artificial silk yarn from Tarvisio to Technoimpex, Bucharest.

Date: 16 - 30 April 1951

30 carloads of motor boats from Tarvisio to Bucharest.

1 carload of pepper from Tarvisio to Prodexport, Bucharest.

1 carload of cocoa from Italy to Prodexport, Bucharest.

1 carload of cocoa from Switzerland to Prodexport, Bucharest.

(1) Comment: This shipment of slide valves was possibly forwarded from the USIA-controlled firm Teudloff-Vomag A.G., which has a plant in Vienna XX (Atzgersdorf).

(2) Comment: The origin of this shipment was probably the Lenzinger Zellulose- und Papier fabrik A.G.

(3) Comment: The Steiner firm cannot be accurately identified from available reference material.

(4) Comment: The 1950 Industrie-Kompass lists Ignaz Burghofer, Baugeschaft, in Mitterkirchen, Upper Austria.

(5) Comment: The origin of this shipment is possibly Spezialfabrik moderner Pumpen Ernst Vogel, Stockerau, Lower Austria.

(6) Comment: [redacted] shipments of hatchets from this firm to Amsterdam which Juschneschtrans despatched on order of Nikex and Maspad, Budapest. [redacted] 25X1A

(7) Comment: Possibly the Rappold Schleifmittel Industrie Kommanditgesellschaft, which has a plant in Seebach bei Villach.

(8) Comment: These hides are probably earmarked for shipment to the Soviet Union.

(9) Comment: Rail shipments of crude oil destined for the USSR have been forwarded from the SMV's Wifo-Lobau storage depot almost continuously since 26 April 1951.
